

Recruiting Business Case Presentation Introduction

The Right Track – Making the Case for Performance Track Membership

EPA has included this presentation to assist you in marketing the program to stakeholders within your facility, your company, and your community. Please use the slides included in this presentation as a starting point for developing presentations for your colleagues.

Stakeholders Who Can Help Build the Case for Performance Track Membership:

- Facility Management
- Corporate EH&S Representatives and Managers
- Employees
- Community Members

You can find the presentation slides on the enclosed compact disc along with the speaker's notes that help you explain each slide to your audience. A printed copy of the presentation follows these instructions.
